Please understand that when you forget or cancel your appointment without giving enough notice, we miss the opportunity to fill that appointment, and clients on our waiting list miss the opportunity to receive services. As a courtesy, appointments are confirmed via text and email. Please make sure to provide us with an email and phone number so we can thoroughly set you up for text and email reminders. Please arrive 15 minutes early for your first appointment, and 5 minutes early for all other appointments. This will give you the necessary time to settle in and fill out any forms. In fairness to all our clients, appointments will always begin as scheduled and any late arrivals may lose a portion of their treatment time.
