**WE
CALL
HER
MARY!**

Summer has arrived with its barbecues, butterflies and heatwaves! But one snowy, bitter cold and blustery winter day we were especially thrilled, and feeling so blessed that the clothing racks were filled with new winter baby clothes for our moms in need to take from our warm and welcoming center for their babies. And that is when a faithful pregnancy center supporter came to us like Mary Poppins being brought in by the wind

This supporter had 110 new winter baby outfits to donate! Overwhelmed by her generosity, but with already-full clothing racks, we didn't know exactly what to do with so many new baby outfits. But the Lord did.

At the same time, we were in touch with Jersey Shore Women's Center in Galloway discussing an entirely different matter when we learned that the women's center (a pro-life center) needed baby clothes. With this supporter's permission, and her enthusiastic consent, the clothes were quickly transferred to Galloway to help even more moms!

St. Michael the Archangel Pregnancy Center is eager to work in partnership with other pregnancy centers and to act as an instrument of God's grace where, when and how He calls us to do that. Thank you to this supporter (and all of our supporters) for your generosity!

And thank You, Lord, for orchestrating help for moms, babies and families wherever they may be! Lord, make us instruments of your grace. Use us to do Your will for those You send our way!

(Cont.)

(Cont.) This particular faithful supporter chooses to remain anonymous (she says her donations are a gift from the Lord). But she pops in every now and then to donate over 100 outfits. So we now call her Mary! We call her Mary not only because she reminds us of Mary Poppins; but because she reminds us of another Mary—the Blessed Mother—on whom we rely for help. Mother of Grace, shower our pregnancy center with your much-needed graces!

**MOTHER OF GRACE,
PRAY FOR US!**

**SEARCHING FOR
A NEW HOME**

Our landlord has given notice that we need to be out of our current location by October 31, 2026!

Please pray that the Lord will guide us, and that we will be able to follow where He leads to the new home He has for St. Michael the Archangel Pregnancy Help Center. Thank you!

Jesus, we trust in You!!!

Thank you to Knights of Columbus, St. John's, Lakehurst!

St. John's in Lakehurst Knights of Columbus recently donated \$1,000 to our center. We thank the Knights for their support and pray God will bless them now and always for their generosity!

We give thanks to God for you! (1 Thes. 1:2)

THANK YOU ALL! Our thanks is ongoing for the multitude of people who support the center in differing ways: through prayers, service, encouragement, donations and in ways known and seen by God alone! So many have played a part to bring us to where we are today. The Lord knows your generous and giving hearts. We can only pray that God will bless you for your goodness as we work toward our goals of hiring an Executive Director and implementing ultrasound technology! We cannot thank you enough for your generosity!

OUR ULTRASOUND GOAL:

Why is ultrasound technology our goal? The reason is that moms who see their baby on ultrasound and hear the beating of their baby's heart become more likely to keep the baby.

Ultrasound technology can help to save lives!!!

St. Michael Help Center is a 501(c)(3) non-profit charity. We are an affiliate of Heartbeat International, and a member of NIFLA (National Institute of Family and Life Advocates). We are a Catholic-aligned pregnancy help center which supports women with unplanned pregnancies and their families by offering (or facilitating access to) a wide range of supplies and services, to brighten their future and enable them live a life of dignity. We hope to expand this vital mission toward our goals of hiring an executive director, providing ultrasound and one day having a small chapel for life.
