### MEET BABY KADEN!

This is little baby Kaden in one of the winter outfits we were able to give him. We first met baby Kaden as cold weather was approaching. His loving Dad came in and asked if we had something “with long sleeves” for him. St. Michael the Archangel Pregnancy Help Center was delighted to be able to help not just with winter clothes, but a home-made blanket, and an assortment of baby items. Baby Kaden was just one of the many babies we were able to help during this cold winter. We thank you for your ongoing support so that we might continue to help many more little babies, like baby Kaden.

### PRAYERS NEEDED FOR DEBRA, BABY AND MEDICAL PROFESSIONALS

Please pray for our mom, Debra, who came to our center, seven months pregnant. The doctors told her that her baby has Down Syndrome. Up until four months, the doctors were pressuring her to abort this baby. She said “no.” She had to leave her OBGYN because the pressure to abort this baby had grown so great.

When she came to St. Michael’s, we were set to give Debra all the baby items she needed. But she was crying and said that what she needed most was prayer. So, we stopped everything and prayed with her. After that, she began feeling better and she was able to pick out items for her baby.

She was so thankful and said: “This is a big relief for me.” “This is a miracle... I was wondering how I was going to pay for all of these things ... You guys are a blessing.”

We assured her that we would continue to support her, and that we would continue to be there for her and asked her to stay in touch. We let her know that God was so pleased with her decision to stand for the life of her child—most especially amid such strong opposition from medical professionals.

By the time she left St. Michael’s, Debra was glowing.

Please pray for Debra that she will always have such courageous faith, for the health of her pre-born baby and for all the doctors and OBGYNs who would seek to take the blessing of life from the womb—which ought to be the safest place in the world.

## ST. MICHAEL THE ARCHANGEL BECOMES AN AFFILIATE OF HEARTBEAT INTERNATIONAL

In 2025, St. Michael the Archangel Pregnancy Help Center became an affiliate of Heartbeat International. The mission of Heartbeat International is *to reach and rescue as many lives as possible through an effective global network of life-affirming pregnancy help that renews communities for LIFE*. Through Heartbeat International's video program, the Board of Directors has begun educational training in the areas of "The Love Approach," as well as "Strategic Planning." The Board envisions much more training ahead, not just for itself but for volunteers and for our clients. We are blessed to be an affiliate of Heartbeat International and to benefit from all the training, decades of experience and guidance they have to offer.

Above is our training room where we hope to hold many more future training sessions for our board members, staff, volunteers and parents. We are so thankful for the table and chairs donated by one of our faithful volunteers.

**MANY THANKS!** St. Michael the Archangel Pregnancy Help Center is so thankful to have the support of so many donors who give from their hearts. Every donation, small or large, is received with grateful appreciation.

On Saturday, January 17, 2026, Anthony Kappmeier, Grand Knight; Kyle Lewis, Deputy Grand Knight and Al Del Tufo (picture top right) from the St. Mary's Knights of Columbus (Council #3826) came to visit St. Michael's. Board members Jean and Bill Roberts and Dr. Paul Schell took the knights on a tour of the facility. They expressed their support of sponsoring fundraisers for the pregnancy center.

On January 13, 2026, Board member Tom Moresco (picture bottom right) gave a presentation to the Knights of Columbus in Lakehurst (Council #12840). The Knights surprised the Pregnancy Center with a generous donation of \$250.00. We are ever thankful.

Extra thank you too for recent donations from St. Pius in Forked River, St. Maximillian Kolbe in Tom's River, St. Francis in LBI, St. John's of Lakehurst, St. Mary's of Barnegat/Manahawkin and the Peaceful Dove gift shop.

We are a 501(c)(3) non-profit charity. To continue to help the moms and families who come to us, we need to continue to pay the rent and bills associated with running the center and continuing this vital mission. If you are able to partner with us, please visit our website at [stmichaelhelp.org](http://stmichaelhelp.org) and consider making a donation. We are especially in need of monthly donations — even \$10/month would be a big help. Checks can be made out and mailed to St. Michael Help Center, P.O. Box 2127, Long Beach Twp., NJ 08008
