

WHAT TO WEAR WHITEWATER RAFTING

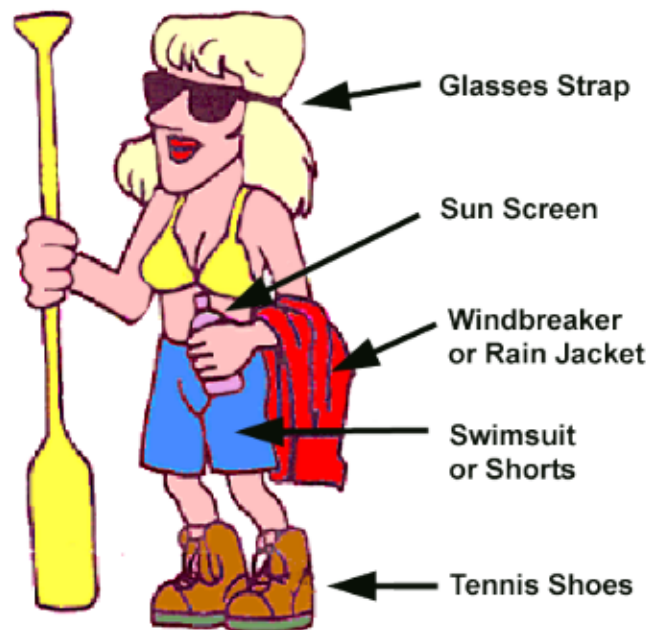

It is best to be prepared for any type of weather at any time of the year. We run rain, shine, sleet and snow. Remember that it is always easier to cool down on the river than to warm up so please dress well.

COLD WEATHER RAFTING

NO LONG PANTS
No Cotton

Shoes should tie on or strap on securely to the foot. An old pair of gym shoes are best.

For safety, no bare feet or loose fitting shoes will be allowed.

* Farmer John Style Wetsuit and Wetsuit Booties are included in the cost of the Spring Trip along with a professional rafting helmet, regulation life jacket and paddle. Wetsuit rental is \$7.00 when not included in trip.

Please make sure everyone in your group knows what to wear.
Don't forget a towel and change of clothes for after your trip.
