Dear **LightQuest** Participant,

The first leg of our seven-day **LightQuest** workshop is rapidly approaching. We're looking forward to an exciting time together!

We will be meeting at **Lawler Alpine Group Center, Idyllwild, CA**. On Friday, **January 19th**. The **LightQuest** workshop registration will begin promptly at 5:30 p.m. Separate instructions will be provided concerning driving directions and packing suggestions for this mountain location.

On Friday, wear clothes you find comfortable. On Saturday, wear **very comfortable** clothes, like sweats, warm-ups, T-shirts, tennis shoes, etc. Please **do not wear shorts**. You may choose to bring nicer clothes for Sunday.

During the three-day portion of **LightQuest**, you will be lodged in cabins at the Group Center. Men and Women will have their own separate group cabins. On Friday, you'll go into Idyllwild Village to eat dinner as a group, you'll be provided dinner on Saturday evening, and breakfast on Saturday and Sunday morning at the camp. During the day we will make available snacks during your breaks. The three-day portion of **LightQuest** will be completed about 2 p.m on Sunday, **January 21st**. At that point you'll return to your homes going down the mountain with your driving buddies.

Beginning about a week before the **LightQuest** workshop, please **avoid** alcohol and any recreational drug use. Do your best to avoid being overly involved in dramas or activities that might **distract** or **drain** you of your workshop **focus** and **intentions**. There will be plenty of time to discuss things at the completion of the workshop.
