

Correct Wording

The Certificate of Insurance provided by vendors and users of our Parks has to name the County as additional insured - i.e. our name has to be in the lower left hand box (Certificate Holder) AND it has to include the following language in the Description of Operations box:

The County of Union, its Board of County Commissioners, officers, employees, agents, servants and the State of New Jersey; are included as Additional Insured under the general liability policy. The General Liability Insurance coverage is provided on a primary and non-contributory basis to the County of Union, et al. Where applicable, a waiver of subrogation in favor of the County of Union, its Board of County Commissioners, officers, employees, agents, servants and the New Jersey Department of Environmental Protection is to be included in those policies of insurance where permitted by law.

To reiterate: The name of the insurer or their team or affiliate **should not be in the lower left hand box (Certificate Holder)**. Certificate Holder should be our name: County of Union 10 Elizabethtown Plaza Eliz NJ 07207. The Description of Operations box should have the required language above. This required language can also be added as Additional Remarks on the second page.
