

## Outlaw Pinewood Derby Corporate Signs

Our primary goal is to ensure that companies can advertise to the public and show that they are giving back to the community. Your participation is crucial in achieving this goal and will undoubtedly make a positive impact on the community.

1. Companies will provide the sign to display at the event.
2. Advertisement signs that stand on their own are preferable.
3. We won't be able to hang any signs with nails, pins, etc., or anything that damages the walls.
4. Signs must be approved before displaying – To ensure signs are appropriate for small children.
5. For signs that don't stand on their own, we recommend not providing signs any more significant than 4 feet high by 8 feet long.
