

Kingwood Park FFA 2024-2025

Greetings from The Kingwood Park High School FFA and Booster Club & Humble 4H!

We are currently seeking partners in our community to assist us in reaching our fundraising goals for this year and would love to have your support! Our organization relies on gracious donations in the form of corporate and family sponsorships which help us provide continued education and success to the 100+ students in our program. Your generosity will not only be appreciated it will be highlighted and celebrated in front of our loyal following of parents, students, alumni, staff, and members of the community who follow our events and activities throughout the year.

FFA and 4H is a dynamic student-led leadership development organization for students of agricultural education. They make a positive difference in the lives of students by developing their potential for premier leadership, personal growth, and career success through agricultural education. Our students, parents, advisors, 4H and FFA boosters dedicate tremendous time and effort to our program to achieve this mission. This year is sure to be full of hard work and great achievements; we are actively preparing our students for the upcoming show season and beginning our leadership training programs to ensure their success.

The K-Park FFA & Humble 4H program requires robust financial support from FFA parents and the community to succeed. The Kingwood Park High School FFA Booster Club and Humble 4H, a 501(c)(3) organization, assists in funding the following: Senior scholarships, competition transportation, competition fees, maintenance of Ag facilities and equipment, the purchase of food, supplies, and equipment needed to effectively educate our students and members. All donations directly benefit our students.

Our funding is derived from gracious donors and supporters like you. We appreciate you considering becoming a partner in the success of our Kingwood Park FFA and Humble 4H programs and look forward to your support during this fantastic, fun-filled, and successful year!

Sincerely,

Kevin McCarty
