

WIFI INTERNET TERMS & CONDITION

Welcome Coffee2630 guest wifi service.

Access to and use of this guest wifi is subject to the T & C set out below.

By accessing and using this guest wifi you are agreeing to these T & C without limitations, and consequently should read them carefully before connecting. If you do not agree to these T & C you must not access or use this guest wifi service.

- THIS SERVICE IS NOT INTENDED FOR WATCHING MOVIES, TV SHOWS OR HIGH DEMAND GAMES THAT USE HIGH DATA. IF YOU ARE FOUND TO BE DOING ANY OF THE YOU MAY LOOSE ACCESS.
- THIS SERVICE IS INTENDED FOR EMAIL, SOCIAL MEDIA & INTERNET ACCESS

Accessing the guest wifi service

PLEASE Note: Due to security restrictions, some email applications will not connect while on our guest wifi service. Please access your emails from your email service provider's webmail page instead.

1. Connect to the wifi "coffee2630 Guest" with your wireless enabled device
2. If you accept T & C click LOG ON.

Reliability

Coffee2630 will take reasonable action to provide reliable, secure and stable access to the guest wifi, but does not guarantee that the guest wifi will continue fault free, secure or accessible at all times. We advise you use up to date Anti Virus software when using a public wifi.

Coffee2630 advises that this service is not suitable for supporting any applications or use which requires continuous, fault free network connectivity or uninterrupted data traffic flow. Coffee2630 will not be liable if access to the guest wifi becomes unstable, unsecured, slow or unavailable for any reason whatsoever.

If you are in the process of downloading a file and loose connection to the guest wifi, your partially downloaded file will be lost. We encourage you to save your work regularly while using the guest wifi, but will not be liable if such faults, malfunctions, or problems occur, and shall not be obligated to rectify any such faults within any specified timeframes.

User obligation & limitations

The guest wifi is intended to be used in an appropriate manner, Coffee2630 may, at its discretion, block or limit access to certain websites that you may seek to access while using the guest wifi.

This includes but not limited to websites and/or services that:

- Could interfere with the integrity and/or performance of the guest wifi or the Wellington Riverside Caravan Park's other networks or equipment.
- Contain any viruses, malware or other computer programming routines that may damage modify, delete, detrimentally interfere with, or access without any authority to the Wellington Riverside Park System, data, or personal information.
- Provide access to, create, store, distribute or display offensive, pornographic, or illegal text, graphic, audio or video.
- Are used to harass or attempt to harass other people.
- Are offensive or promote racism, bigotry, hatred, or physical harm of any kind against any group or individual.
- Promote conduct that is abusive, threatening, obscene, defamatory, or libelous. Or about illegal activities, including but not limited to: 1) making or buying illegal weapons 2) violating someone's privacy 3) creating computer viruses or malware.

Coffee2630 will take reasonable steps to make sure access through this guest wifi connection is secure, however we cannot guarantee the security of the guest wifi at all times.

You are solely responsible for any information or data uploaded, downloaded or otherwise communicated using the Coffee2630's guest wifi, and are responsible for keeping all user names, passwords and other security based information secure and private at all times.

Coffee2630 strongly recommends you install a personal antirust and firewall on your wireless enabled device to block unwanted traffic and potentially malicious files.
