

Heal Faster with Health to Heal Inc.

Health to Heal Inc. is a Registered 501(c)3 Nonprofit Charity Organization

Our Mission

Educating clinicians, providers, and the public on the importance of increased protein intake as a first-line treatment in wound care, the importance of increasing dietary protein intake for our senior population, to assist the indigent and under-insured people suffering with non-healing wounds by providing dressing and free hands-on care, and to end the suffering of the millions of people, annually, that have non-healing wounds. We need your help to do this.

Charity Services Offered

- Wound Care Education In-services for the Home Health Industry
- Education for Nutritional Requirements for Wound Healing
- Education for Nutritional Requirements for Seniors
- Wound Consultations for Indigent, Uninsured, and Under-Insured
- Supply the Indigent Population with Wound Dressings and Products

Wound care supplies are available on a first come first serve basis, and supply stock and availability is always changing.

Fee-for-Service Services Offered

- Wound Care Education for all Specialties of Medicine
- Wound Consultation and Wound Management
- Wound Program Development and Supervision
