new products & bestsellers

*We want to make it
easy for you!*

The items in this catalogue are the perfect answer to the two questions we are most regularly asked:

What's hot and What's new?!

A comprehensive and proven best-of collection, combined with some new well-chosen additions that are sure to capture the attention of your customers. All items are in stock now, and remember that we provide a competitive and comprehensive print/engrave service that takes all stress out of the process.

Eco Pens Eco Pens are on point this year and carry a message that the world wants to hear!

The development and introduction of bamboo and wheat composite materials has the potential to reduce the amount of plastics required in the production of many products, including pens.

The building profile of these, and similar items in the market, is a win for the environment. Make sure your company is on the "write" side of history!

M272 Bottle Stainless Double Wall 500ml

These double walled, vacuum insulated, stainless steel bottles are a must for storing either hot or cold beverages; effectively keeping beverages hot for 12 hours or cold for 24 hours.

Manufactured from the highest quality #304 stainless steel with copper plated interior, they laser engrave beautifully (particularly the black) and look fantastic with a full colour digital print (particularly the white).

Please note of course that, like any metal item, they cannot be put in the microwave.

- Double wall vacuum insulated with copper plating
- Keeps liquids hot for 12 hours or cold for 24 hours
- Food grade #304 (18/8) stainless on inside / #201 stainless on outside
- Flat top lid ideal for engraving
- Not microwave or dishwasher safe

Eco Coffee Cup Glass Double Wall Cup2Go 300ml

The 300ml, double-walled, Glass Cup 2 Go provides an excellent return on investment. An everyday item that has the potential to be used ALL day; in the home or office without the lid or in the car with the lid installed. And, of course, the more it is used the more visible the logo and the more effective the promotion.

Glass is becoming an increasingly popular choice because, in addition to being environmentally responsible, it also provides a clean taste and is an exceptionally hygienic material.

Logos can be printed on the silicone band.

Sold in a retail quality gift box.
