

RECRUITMENT STEPS

1

JOB DETAIL

Our team connects with the hiring manager to gather the details of the job. Diving into the role to find the details for perfect candidate matching.

2

TALENT SOURCING

We take the work out it for you. Using our internal talent pool along with job boards and organic recruitment.

3

SCREEN

Our recruiters will screen and vet all candidates before placing in the role.

4

FILL

Our just in time staffing model allows for clients to get the best- in -class staff with our recruiters taking the work out of it. We send only candidates that have been sourced and screened for job placement.
