COMMUNICATION TO UNITHOLDERS

Dear Unitholder,

Firstly, it is my pleasure to announce there will be a distribution of dividend in the month of May 2025. This dividend will be added to your current unit balance to be redeemed at your convenience.

Secondly, the fund added to its leadership by selecting directors to assist in its oversight. These directors were selected based on their contributions to thus far, they are the top investors into the fund.

The fund has also embarked on the two new venture to help generate revenue. First, taking short term position in future contracts which mature to maturity with 3-6 months. Second, the purchase and sale of USDT at a profit.

With respect to regulation the CBTT, SECTT and FIUTT have not given us permission to market the fund as being regulated under their umbrella. However we continue to submit our reports to them.

We look forward to seeing you at our next Annual General Meeting in October '25 and we encourage you to continue to monitor your investment and feel free to contact us at anytime

Thank you,

Nigel Farfan
Asset Manager

Leadership Team

Keston Nigel Farfan holds a BSc in Accounting and an LLB in Law. with a keen interest in financial markets, Keston has been investing in cryptocurrency since 2016, gaining experience in this volatile market. His professional background includes auditing mutual funds, which has provided him with a comprehensive understanding of financial instruments and compliance. Keston's dual expertise in law and accounting, combined with his firsthand experience in cryptocurrency, positions him as a knowledgeable and resourceful professional in the fields of finance and digital assets.

Nicole Parris, a PhD holder in Physical Education, directs the Daily Physical Activity Foundation, a non-profit championing youth through sport. With experience as a teacher, coach, and advisor, she has crafted programs promoting fitness, inclusion, and mental well-being. The foundation, under her guidance, offers after-school sports, summer camps, and fitness challenges to engage youth in physical activity. Her innovative curricula and community initiatives have earned recognition, inspiring her continued advocacy for healthy lifestyles. She envisions a future where all youth thrive physically, mentally, and socially.

Goldmin Koon Koon, an accomplished educator with LLB and LEC qualifications, is the esteemed owner and principal of Miss Goldies Private Tuition. As the head teacher, she is dedicated to fostering a brighter future by educating today's youth. Under her leadership, Miss Goldies Private Tuition has become synonymous with academic excellence and personal growth. Driven by a mission to inspire and empower students, Mrs. Koon Koon's innovative teaching methods and compassionate approach ensure that each student reaches their full potential, preparing them for a successful future.

Depak Singh serves as a vital member of the accounting payroll department at the North Central Regional Health Authority. Known for his expertise and dedication, he also stands out as one of the fund's top investors. Depak is a firm advocate of moderate living, which he believes is essential for ensuring a comfortable retirement. His commitment to both his professional duties and personal financial principles makes him a respected figure within the organization and a role model for his colleagues.

Julian Fraser, the owner of Julian Fraser Complete Services, is a professional and pragmatic businessman known for his hard work and dedication. With an emphasis on the importance of saving to build a business, Julian has successfully navigated the challenges of entrepreneurship. His down-to-earth approach and strong work ethic have earned him a stellar reputation among clients and peers alike. Julian's comprehensive service offerings and commitment to excellence reflect his passion for helping others achieve their business goals. Through his strategic vision and relentless drive, Julian continues to inspire and lead in the business community.
