DID YOU KNOW?

Willow Springs International Raceway...

has 7 different racetracks?

is 600 acres big? (That's more than
3 times the size of Disneyland!)

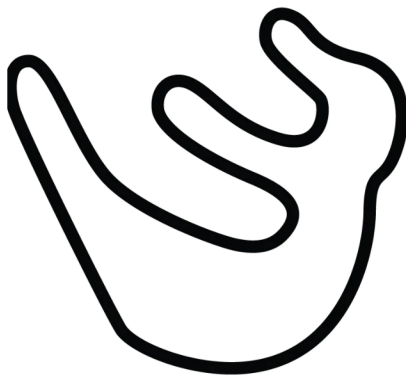

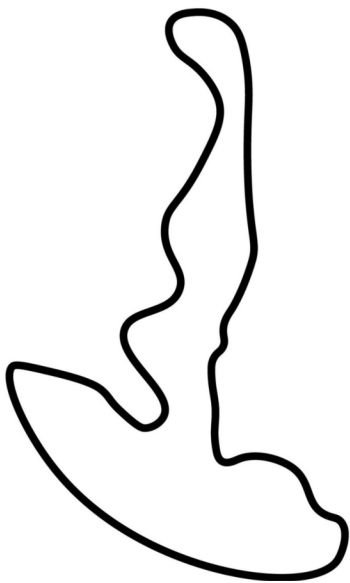

has been recognized by the State of
California as a Point of Historical
Interest since 1996?

MATCHING

Match each track to its name

*Big
Willow*

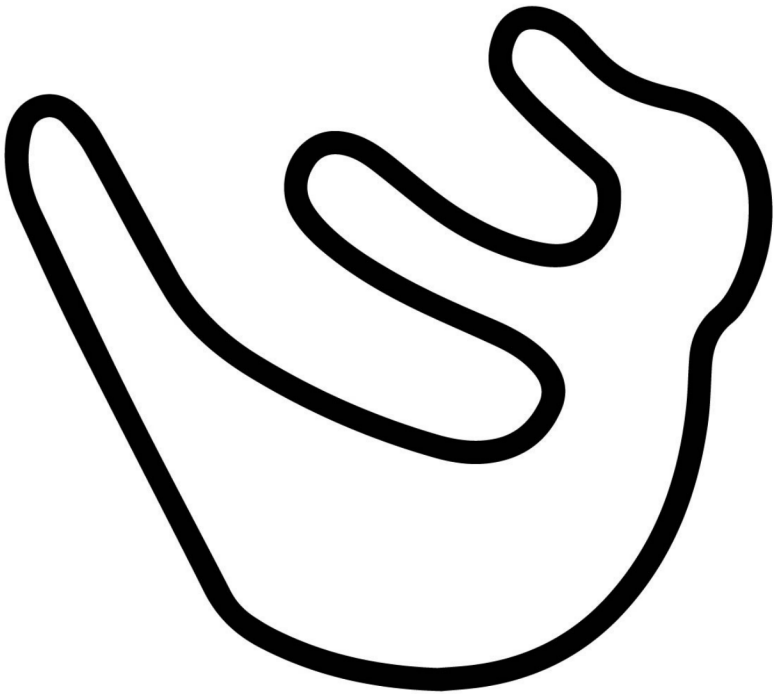

How many
turns are there?

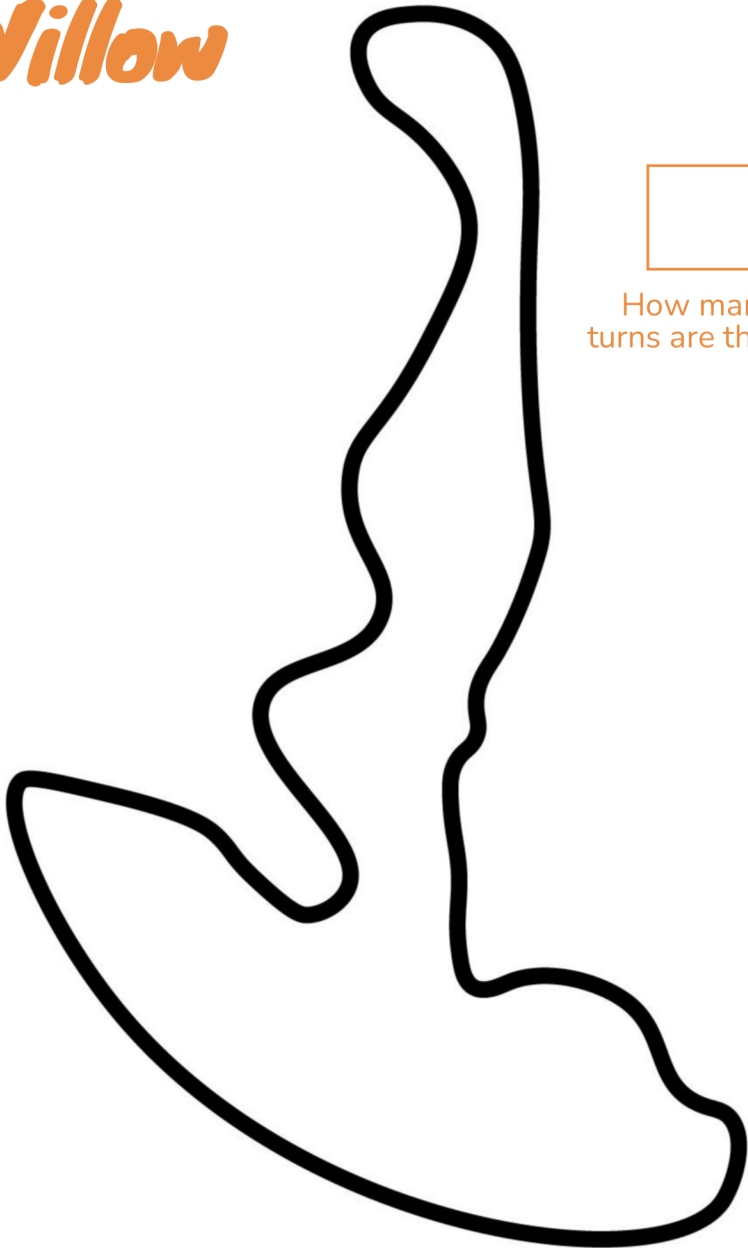

Big Willow is a 2.5mile long track.
If you lined up cars bumper-to-
bumper it would take about 900
cars to fill the whole track!

SILLY SHAPE!

Here is an outline of Horse Thief Mile.
Draw and color to make it look like
something else. What will you create?
