INTRODUCTION

At Black Truck Landscaping, we're proud to partner with Sundance to offer the All Season Pergola—an outdoor structure built for performance, durability, and year-round enjoyment. Backed by years of industry expertise and rigorous research and development, the Sundance All Season Pergola represents the highest standard in modern outdoor living.

Each pergola is crafted from high-grade, American-extruded aluminum designed to resist rust, corrosion, and wear over time. Finished with industry-leading powder coating technology, these systems are engineered to withstand even the toughest weather conditions. Structurally engineered for strength and longevity in all climates, the Sundance All Season Pergola aligns perfectly with Black Truck Landscaping's commitment to quality craftsmanship, lasting materials, and outdoor spaces built to endure.

WELCOME HOME

YOUR NEW FAVORITE ROOM

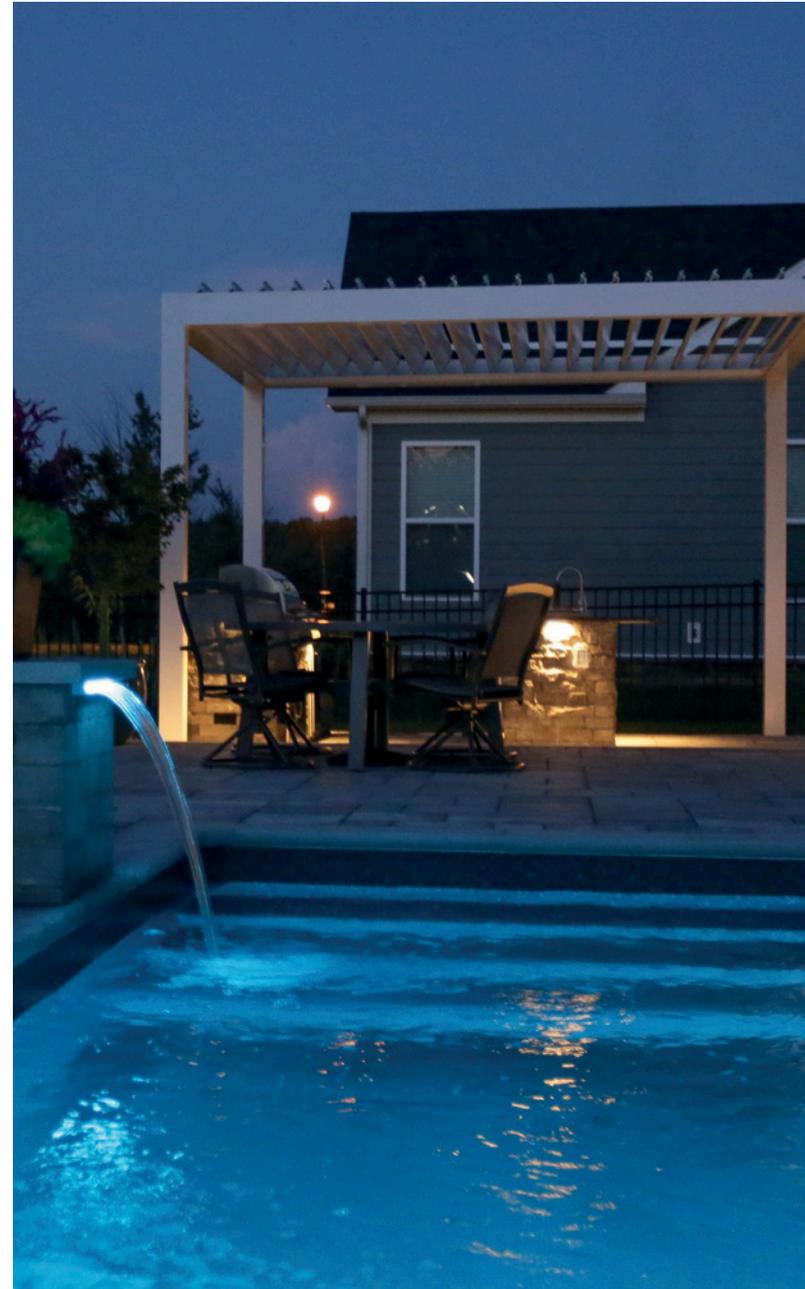

As outdoor living spaces grow in popularity, homeowners are seeking improved shade options. The Sundance All Season Pergola features a mortised louvered roof system that allows you to control sun, shade, and shelter, helping you make the most of your space, spend more time outdoors, and fully enjoy your new favorite room.

COME AND STAY A WHILE

As outdoor living spaces grow in popularity, homeowners are seeking improved shade options. The Sundance All Season Pergola features a mortised louvered roof system that allows you to control sun, shade, and shelter, helping you make the most of your space, spend more time outdoors, and fully enjoy your new favorite room.

MORE TIME WITH LOVED ONES

Wherever it's installed, our motorized pergola gives you more time to enjoy with yourself, family, and friends. Start your day with the perfect morning routine outdoors, gather for a family lunch, or host a sunset party to celebrate any occasion. The Sundance All Season Pergola creates more opportunities for cherished moments with loved ones.

MODERN COVERS FOR MODERN HOMES

Technological advances in the 21st century are reshaping the modern home. The Sundance All Season Pergola blends clean lines and purposeful asymmetry with smart technology to elevate the outdoor living space into a truly versatile experience. Integrated technology puts full control at your fingertips, while optional upgrades and accessories allow each system to be customized to complement the home and create the perfect atmosphere.

FEATURES AND BENEFITS

The Sundance All Season Pergola is loaded with features and benefits that enhance its appearance, performance, and durability.

- Patented design.
- Clean, flat tongue-and-groove appearance.
- Industry-leading longest louver span.
- Allows up to 85% natural light when open.
- Dual-layer construction to reduce heat in the summer.
- Up to 140 degrees of louver rotation for easy cleaning.
- Integrated rubber gaskets for quiet operation and weather protection.
- Ball bearings that minimize noise and ensure smooth movement.
- Custom-extruded 5-inch gutters with built-in mounts for accessories such as lighting, leaf screens, and misting systems.

Each benefit contributes to a stronger, more attractive, and longer-lasting louvered roof, allowing you to spend more quality time outdoors with family and friends.

OPEN FOR LIGHT AND AIR

For homeowners looking to manage natural sunlight and heat, the Sundance All Season Pergola is a luxury motorized solution that lets you effortlessly adjust the louvers, directing sunlight and warmth exactly where and when you want it.

CLOSE FOR SHADE AND WEATHER

For homeowners looking to manage natural sunlight and heat, the Sundance All Season Pergola is a luxury motorized solution that lets you effortlessly adjust the louvers, directing sunlight and warmth exactly where and when you want it.

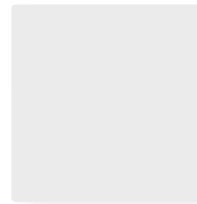

TONGUE AND GROOVE CEILING

For homeowners looking to manage natural sunlight and heat, the Sundance All Season Pergola is a luxury motorized solution that lets you effortlessly adjust the louvers, directing sunlight and warmth exactly where and when you want it.

EXCEPTIONAL FINISHES

For homeowners looking to manage natural sunlight and heat, the Sundance All Season Pergola is a luxury motorized solution that lets you effortlessly adjust the louvers, directing sunlight and warmth exactly where and when you want it.

QUIET CLOSE

The combination of the bumper seal gasket and enclosed stainless-steel ball bearings eliminates metal-on-metal contact, ensuring a smooth, silent closing. The bumper gaskets also help seal out the weather, protecting your outdoor living area from the elements.

BUILT-IN DRAINAGE

Large built-in gutters enhance water drainage during heavy rain, featuring a refined crown molding finish. They are also designed to accommodate a range of optional upgrades, including LED lighting, gutter screens, and a misting system.

COMMERCIAL

For commercial spaces looking to enhance their outdoor areas, the Sundance All Season Pergola offers a major upgrade to the patio dining experience. More usable outdoor space means greater earning potential, and with the versatility of a louvered roof, that potential can be realized year-round.

Built from high-grade extruded aluminum, Sundance All Season Pergolas are engineered to withstand winds up to 150 mph and snow loads up to 60 lbs per square foot. Durable and long-lasting, they also feature a modern, stylish design that complements contemporary establishments perfectly.

OPTIMIZE SPACE, INCREASE REVENUE

Outdoor seating is the crown jewel of any restaurant during peak season. The Sundance All Season Pergola is designed to extend the outdoor dining season while increasing seating capacity, allowing restaurants to serve more guests and boost revenue.

DELIGHT YOUR CUSTOMERS

Enhance the customer experience by adjusting the louvers to craft the ideal environment. Open them halfway to let in morning sunlight and a gentle breeze, rotate fully open for filtered shade, or close them completely on cold or rainy days. Owners have complete control to set the perfect atmosphere.

CUSTOM DESIGNS

From businesses to government facilities, every location is unique and provides visitors with a distinct experience. Sundance All Season Pergolas offers complimentary consultations to design the perfect system tailored to each site.

ENJOY MORE TIME OUTSIDE

DESIGNED FOR COMFORT

One of the biggest advantages our customers appreciate is the freedom to get creative with their outdoor living space. The strength and durability of the Sundance All Season Pergola support a wide range of customizations and upgrades. Choose from various lighting options to enjoy your space in the early mornings or late evenings, add heaters to extend use into cooler months, or install fans to boost airflow during hot weather. With your new pergola, the possibilities for customization are virtually endless.

FANS

For a cooler, more refreshing outdoor environment, add a fan of your choice. Most customers mount fans on the center beams. Contact Black Truck Landscaping LLC to plan and coordinate your installation.

HEATERS

Add a heater to make your new favorite outdoor space comfortable even on the coldest days. Many customers choose to install multiple heaters to fully enjoy their outdoor living area year-round. Contact Black Truck Landscaping LLC to plan your installation.

LIGHTING

Lighting is a key upgrade for those who want to enjoy the Sundance All Season Pergola after dark. Options range from puck lights and sconce lights to ceiling fans with integrated lighting. Contact Black Truck Landscaping LLC to plan your installation.

SCALLOPED PERGOLA RAFTER TAILS

The scalloped rafter tails add a classic pergola aesthetic to your Sundance All Season Pergola while giving it a modern touch. Contact Black Truck Landscaping to plan your installation.

DECORATIVE POST SKIRTS

Posts can be fitted with decorative skirts to enhance the overall look of your pergola. The trim at the base of each post provides the finishing touch of elegance.
