## Necklace Sizing

When sizing a necklace, consider the following tips:

- Measure your neck where you want the necklace to sit, and add 2 inches for a comfortable fit.
- Women's necklaces usually range between 16 to 20 inches, with 18 inches being the most popular length.
- Choker-length necklaces are 14 to 16 inches, while matinee-length necklaces are 20 to 24 inches.
- To visualise how different lengths look, measure and cut a piece of string to match the necklace length.
