Class fees are charged per student, per class. Please be aware that no money is automatically collected from your bank account by Rhythm Academy SCIO and repeat non-payment will result in your child's space in class being reallocated to another student on the waiting list. In case of any issues please direct all correspondence to rhythm.academy@outlook.com.

Extra fees (exams, ticket sales, excursions) are paid by special arrangement as they arise. Exam fees are set by the exam board (ABRSM) but collected by Rhythm Academy and paid on the candidate's behalf at the time of submission.
