

Consignment Agreement

Classic Attic will display and sell your antiques, fine furnishings, home accessories, lighting, crystal, china as well as custom draperies and pillows. It's also a place for you to browse for that special piece you need for your own home décor.

How do I consign?

Classic Attic receives items Mon-Thurs BY APPOINTMENT ONLY.

To consign ANY items, please send photos in advance for our review. We welcome e-mails at consign@classicattic.biz. We will review your items and work with you to schedule an appointment for you to deliver the approved consignment items. We do not pick up or deliver but we have several movers we can recommend to you.

What will I get for my "treasures"?

Classic Attic will price your items based on our knowledge of the marketplace and what we know sells well in our store. Any information you may have (original purchased price, cost, age, history, etc.) will be helpful and will be taken into consideration.

The consignor receives 50% of the final sales price during the first two months. Items unsold at the end of 2 months will be displayed for one more at a 20% reduction in price. After 3 months, all items become property of Classic Attic unless they are retrieved within 5 days of expiration.

Please track your expiration dates as we will not make reminder calls. *Items removed by the consignor prior to 60 days will be subject to an early return fee of 5% of the sales price.

When will I get my money?

Checks for sold merchandise are mailed on the 15th day of the month following the sale date. Your check will include a list of what items have sold and for how much. If the amount from a previous month does not total \$30, the amount will remain in your account and will accumulate for up to twelve months, after which time minimal funds are forfeited.

I agree to the above conditions of Consignment.
