Name of Dog: _____ Litter Number: _____

Date of Birth: _____ Height: _____ Weight: _____

Sex: _____ Color: _____

Breeder's Name: _____

I certify that the dog I have inspected meets the characteristics listed below and that I have inspected the dog and that it did tree game in my presence and that I saw the game. I also certify that I do not own this dog, have never owned it in the past, do not intend to purchase it, nor did I own either of the parents of the dog at the time of mating or thereafter, and that the person for whom I am inspecting this dog is not a member of my immediate family or present business associate. This dog meets the following criteria:

- Keen to slightly stocky body.
- Short ears, slightly hung down, flopped, or straight are acceptable. Cocked ears are ideal.
- Long muzzle keen.
- Good strong legs, bench legs are acceptable.
- Full length tail; stub tail will not prevent registration
- Black, white, tan, red, yellow to lemon, or any variations of foregoing colors.
- Height: Males 10" to 18" ; Females 10" to 17"
- Weight: 30 pounds maximum
- Good coat of hair; short; no long or shaggy haired dogs.
- Free gait; hunts with eyes and ears alert.
- Virtually silent on track
- Shall tree squirrel or coon— game must be seen.
