

STONE MEADOW NEWSLETTER

Online Payment

Instructions on how to make your dues payments online are posted on your dues invoice.

Send questions or issues to stonemeadowclarkston@gmail.com

If you have any questions or requests for the board or treasurer we would like it in **writing**, this allows us to keep a record of it and be able to update you with any change.

Phone numbers on the SMA web page are to be used for emergencies.

Send all emails to:
stonemeadowclarkston@gmail.com

April - June 2025

Spring is here!

Please pickup any visible trash that might have blown in over the winter.

Find and follow us on Facebook by searching "Official" Stone Meadow Clarkston

facebook **facebook**

Quick neighborhood updates and info are posted there

Garbage pickup

Priority is changing our pickup day from Monday to Friday, effective Friday, April 11. Since the last Monday pickup will be March 31 and the first Friday pickup will be April 11, there will be almost a two-week gap between pickups.

Also, because our contract with Priority covers the entire subdivision we are unable to suspend individual household pickup during vacations or long periods away from home as requested by some residents, we will however try to negotiate that in our next contract.

With the arrival of warmer weather, we can expect increased activity in the neighborhood. Complaints about speeding have been received, so please drive slowly and safely. Additionally, when walking, always use sidewalks where possible.

In regard to our drainage infrastructure

We have had an engineer look at our existing system to determine required maintenance. We are moving forward with getting the catch basins cleaned and following that we are getting quotes for significant maintenance which is long-overdue and needed.

The Streets

Oakland County has been contacted for cold patching of our streets and will perform the work as soon as they have availability. Hot patching will follow later, as it is not done this time of year.

Street cleaning will be scheduled to follow the completion of the patching.
