As part of the I-75 project between M-15 (Ortonville Road) and the Oakland/Genesee county line, there will be several weekend closures of I-75. The first closure begins 9 p.m. Friday, June 21, through 5 a.m. Monday, June 24, with northbound I-75 closed from US-24 (Exit 93) to Saginaw Road (Exit 106). This work is weather dependent. Northbound I-75 traffic will be detoured via northbound US-24 (Dixie Highway) (Exit 93) in the village of Clarkston and continue north to I-75 in Genesee County. The expected completion date for this portion of the project is late fall.

The following two road projects has cars already cutting through our neighborhood especially during high traffic times, so be careful!

***Baldwin Rd/Clarkston Rd. Intersection in Orion Twp. closed June 11 until late August for roundabout construction.

***The paving of Waldon Rd. and the additional roundabout at Clintonville & Waldon is supposed to be concluded in the fall of 2024.
