An Urgent Update on the Drainage Issues

Work is still scheduled to begin in August; however, the scope and timeline depend heavily on the weather and the amount of assessment funds collected by the August 1 due date.

Additionally, Gemini Landing has experienced property and interior home damages due to the drainage issue we have on that side of our subdivision. They have officially contacted us asking for an immediate resolution.

This is an urgent matter for both subdivisions. To avoid late fees and prevent delays for your neighbors, please ensure your assessment is submitted on time by the August 1st due date.

Garage Sale

A poll was taken on the SMA Facebook page, and due to lack of interest there will be no annual garage sale sponsored by the HOA this year, but you're free to have your own and share it on the Facebook page.

School is out for the summer, and we can expect increased activity in the neighborhood, so please drive slowly—and remind your teen drivers to do the same. Additionally, when walking, always use sidewalks where possible.
