

# STONE MEADOW NEWS

## Online Payment is up and running

Several people have been using it, and how to pay online will be posted on your invoice.

Send questions or issues to [stonemeadowclarkston@gmail.com](mailto:stonemeadowclarkston@gmail.com)

If you have any issues or requests for the board or treasurer, we want to hear it from you **in writing**, then we will have a record of it and can keep you updated with a status change.

Phone numbers on the SMA web page are to be used for emergencies.

Send all emails to:  
[stonemeadowclarkston@gmail.com](mailto:stonemeadowclarkston@gmail.com)

October 2024

## NEW BUSINESS

Wow, how time flies, it has been one year since our last HOA meeting and election!

Monday October 21 from 6-8PM is our annual meeting at the Clintonwood Carriage House! We had an amazing turnout last year and would like to see the same. The current serving member Mark Smith's term is up for re-election, if anyone is interested in running for this position please email the Board [stonemeadowclarkston@gmail.com](mailto:stonemeadowclarkston@gmail.com), and you will be added to the ballot, which will be voted on October 21.

Since Priority Waste purchased GFL several months ago they have missed several pickups. Our Association has a 3 year contract with this company and we currently have one year left. These occurrences have been widespread enough to make the evening news every time, so it appears we are not the only ones suffering from bad service.

If you missed pickup or have any other issues that you want to discuss with Priority you can call them direct at 855-927-8365.

Find and follow us on Facebook by searching "Official" Stone Meadow Clarkston

## Sewer/drainage infrastructure

The first of two surveys by an engineering contractor has been completed and the next survey is being scheduled soon. After the last survey is complete, then the actual physical work can be scheduled. When the next survey is to be done, we will let you know because you might see some surveyors in your yards.

## Speeds

With construction in the area and teenagers getting their drivers licenses and the evenings getting darker earlier, we would like to remind everyone to slow down while driving in the neighborhood, there are children riding bikes, running, skateboarding and people walking dogs, so please slow down and be cautious in case the pedestrians aren't.
