Drainage Maintenance Update

The Board is pleased to share that Phase 1 of the drainage project has been completed successfully. We are currently waiting for the newly seeded areas to become established, and Oakland County will be conducting its final inspection.

As a result of this work, the Spring Meadow Court cul-de-sac is no longer flooding, and the flooding issues affecting Gemini Landing have also been addressed. This project was completed with the support and cooperation of Independence Township and Oakland County.

Maintaining and improving the Association's drainage infrastructure is one of the HOA's responsibilities. During the project, drains that had become completely buried were uncovered and restored, allowing them to function as they were originally designed.

We are very pleased with the outcome of Phase 1. This was a significant step toward restoring the community's drainage system, protecting surrounding properties, and preserving the Association's infrastructure for the future. Overall, it has been a tremendous success.

Annual SMA Board Meeting

The Stone Meadow Association Annual Meeting will be held on Thursday, October 29, from 7:00–9:00 PM at the Clintonwood Park Carriage House.

Board of Directors elections will also take place during the meeting.

If you are interested in running for the Stone Meadow Board of Directors, please submit your name by October 15. This deadline allows us sufficient time to prepare for the election ballot.
