## ANNUAL PICNIC

Join us for our annual Stone Meadow neighborhood picnic!!

When: Saturday, June 3

Where: Commons Area near our neighborhood bus stop

Time: 4pm

Come out for some food, convo & fun!!

hello Spring!

April 2023

## Positively Stone Meadow...

The positive Facebook posts and posts looking for different recommendations has been refreshing and helpful for many. With houses in this neighborhood all being built 20+ years ago now, many of us are in need of many of the same updates and repairs. If you've had an experience with a company you'd like to promote please be sure to share it via Facebook so that others may also benefit from a great experience and the company may thrive as well.

## Sub-Wide Garage Sale!

Our annual, sub-wide garage sale is back again this year!

Thursday, May 18<sup>th</sup>-Saturday, May 20<sup>th</sup>

We will advertise as a whole neighborhood via the newspaper, on social media sites & at both entrances. If at all possible we ask that any and all garage sales take place on this weekend to lessen the neighborhood traffic and for the utmost safety of our residents.

## NEWS TO KNOW!!

- Rainbow Tree Service has been contracted to prune the curbside trees, where needed, throughout the neighborhood. This is expected to commence the last week of March or the first week of April.
- Sidewalk flags will be inspected for replacement again this spring/summer. Homeowners with sidewalks along their property are responsible to edge in order for the damaged flags to be inspected and replaced without incurring any damages to sprinkler heads.

## Neighborly THANKS!!

\*"Thanks" to those that have kept their vehicles out of the streets and parked in driveways. It not only gives a nice neighborhood look, aesthetically it's also very helpful to the different crews in and out of our neighborhood such as the garbage crew, snowplow crew, lawn maintenance crew and most importantly our mail carrier.

\*"Thanks" to those that have taken the time to clean up after your pets while out and about walking throughout the neighborhood.
