

The Navy League of the United States, founded in 1902 with the support of President Theodore Roosevelt, is a nonprofit civilian, educational and advocacy organization that supports America's sea services: the U.S. Navy, U.S. Marine Corps, U.S. Coast Guard and U.S.-flag Merchant Marine. Through the work of our 175 councils worldwide, the Navy League of the United States provides a powerful voice to educate the public and Congress on the importance of our sea services to our nation's defense, well-being and economic prosperity. Additionally, the Navy League provides support to our sea services personnel; their families; and youth programs, such as the Naval Sea Cadet Corps, Junior ROTC and Young Marines.

OUR MISSION

Enhance the morale of sea service personnel and their families through national and council level programs.

Support youth through programs, that expose young people to the values of our sea services.

Educate the public and Congress of importance to our nation's defense, well-being and economic prosperity.
