

BLESSED ON 2 WHEELS

CORPORATE SPONSORSHIP OPPORTUNITY

RIDE READY. SAVE LIVES.

RIDERS HELPING RIDERS - ON THE ROAD AND AFTER THE CRASH

A 501(c)(3) motorcycle safety nonprofit serving riders, families and communities.

OUR MISSION

Blessed On 2 Wheels turns real motorcycle experience into real help. We promote safer riding, prepare riders for traumatic emergencies, support families after a fatal crash, and help motorcycle accident survivors who have suffered the loss of a limb.

TRAUMA PREPAREDNESS

Provide Traumoto Trauma Kits with tourniquets and critical bleeding-control supplies to motorcycle riders.

FALLEN RIDER FAMILIES

Provide meaningful support to families facing the sudden loss of a loved one in a motorcycle crash.

LIMB-LOSS SUPPORT

Help riders who have lost a limb with prosthetic-related needs, recovery support and rebuilding life after the crash.

SAFETY & AWARENESS

Reach riders and the public through Bike Nights, the Fallen Rider Tour, videos, podcasts and community outreach.

YOUR SUPPORT HELPS TURN MILES INTO MISSION.

Fund lifesaving equipment, direct rider assistance, family support and safety outreach across the motorcycle community.

THE RIDE MAY CHANGE. THE RIDER STILL MATTERS.

REAL-WORLD RESPONSE

WHY SPONSORSHIP MATTERS

Members of our organization have personally responded at the scene of a motorcycle crash where a rider suffered a catastrophic limb injury. A tourniquet was applied while waiting for first responders. Experiences like this are why our mission goes beyond awareness: we want riders prepared before a crash, families supported after tragedy, and limb-loss survivors supported as they move forward.
