

# **An Artist in the Quantum Age**

## **Introduction**

What is art anyway?

## **Art Theories**

TOE model

Dickies Institutional model

Savannah Hypothesis

List model

Anderson's American Muse

## **Illusion of Colour**

Electromagnetic spectrum

Visible spectrum

3D color space

Qualia

## **Illusion of Depth**

Innate cues

Learned cues

## **Illusion of Time**

Critical Flicker frequency

The Movie analogy

The TV analogy

Quantum wave function and  
a static Multiverse

## **Mind vs Brain**

What we see is a Model

Mind = Brain state

The Self and Identity

Edelmanns model

Consciousness in MUV

## **Perception of Value**

Reciprocity

Attraction

Value in art

Universal traits

TOE

Good, Bad and Evil

Philosophy of Value

## **Neophilia**

Disanayake

Darwin

Body-painting

Fashions
