And the God of all grace, who called you to his eternal glory in Christ, after you have suffered a little while, will himself restore you and make you strong, firm and steadfast.

## New Spirit Radio - Playlist - 02-08-26 - God's Grace

### Wise Words

- Grace is God's way of loving and forgiving us beyond what we deserve. And the receiving of His grace enables and requires us to extend forgiveness and mercy to others, even when they may not deserve it.
- We also have to give ourselves grace. Give yourself some love for coming as far as you've come so far. You may not be where you're trying to go yet, but you not where you used to be. And if by chance you happen to be where you used to be, give yourself the grace to celebrate making your first moves today.

### Our Words of the Week

- **1 Peter 5:10** - And the God of all grace, who called you to his eternal glory in Christ, after you have suffered a little while, will himself restore you and make you strong, firm and steadfast.
- **2 Corinthians 12:9** - But he said to me, "My grace is sufficient for you, for my power is made perfect in weakness." Therefore I will boast all the more gladly about my weaknesses, so that Christ's power may rest on me.

**Let Us Pray -**

Dear Lord, we thank You for Your grace. It is a gift that sustains us through trials and tribulations, a reminder of Your love and mercy that never fails. We pray that You would help us to recognize and accept Your grace and to find comfort in its steadfast nature. May we remember that Your grace is always available even when faith wavers or challenges arise. We know You are always by our side; nothing can separate us from Your love. Thank You for the faith, strength, and courage that Your grace gives us in our times of need. Amen.
