Let Us Pray -

Heavenly Father, You are my victory. I claim You today over every area of my life. For the places I feel confident in, thank You for giving me that confidence. For the places where I feel absolutely defeated, thank You for the future victories that I am going to have in You. I cannot do this on my own. I cannot defeat the enemy or sin. I cannot live a perfect life. This is why You have already done this for me. Thank You in advance, God, for the way that You are going to move and change my situation. Thank You for the guaranteed victory through Jesus I already have right now. Thank You, Holy Spirit, for being in my life and for helping me to live out this victory. Amen.
