Let Us Pray -

I pray that you would give me understanding and wisdom to know your will, hear your voice, and follow your ways. Keep my feet firm, on solid ground, helping me to be consistent and faithful. Give me strength to stay the course, not being too easily distracted from following your will. Shine your light through me and over me so that I may reflect your peace and hope to a world that so desperately needs your presence and healing. To you be the glory and honor forever. In Jesus' name we pray, Amen!
