

New Spirit Radio - Playlist - 09-21-25 - Change

Wise Words

- We should never be fearful of change because Christ will always be by our side throughout the process.
- When we are turning to God, away from our previous lives, change is something that helps us transform by renewing our minds.

Our Words of the Week

- 1 Corinthians 15:51 - "Behold! I tell you a mystery. We shall not all sleep, but we shall all be changed,"

In life, there aren't many things that are guaranteed as much as change. God reminds us about this so that we are not dismayed by our daily circumstances. Accept this change and walk every day focusing on the good news. All of these are necessary parts of our journey.

James 1:22 - "But do what the word says, don't just listen to it and delude yourselves."

Simply hearing God's word is not enough; one must also actively put it into practice in their life to avoid self-deception.
