

#### **New Spirit Radio - Playlist - 11-03-24 - Accountability**

- Accountability is about being responsible for fulfilling one's duties and obligations.
- Biblical accountability begins with taking responsibility for one's own actions and making a conscious choice of allowing God and others to help in accomplishing what is right.
- Accountability partners should show grace and love, building each other up and encouraging each other towards God's goodness and what is right.

- "The first step toward success is taking responsibility for your actions." – Mark Cuban

#### **Let Us Pray**

- I embrace my accountability to you Lord. Forgive me for when I live as though I will not have to give an account of what I said and did. I recognize that I am accountable for how I treat others, realizing Lord that what I do to others, positive or negative, I am doing to you, their creator. I take accountability for my thoughts, words, actions and reactions. May I come to know you will and may your will be all I do. In Jesus's name, Amen!
