

New Spirit Radio - Playlist - 03-24-24 - Prayer

Praying is our way of communicating with God. We call upon God every time we pray. By praying to God every day to ask for His help and forgiveness, we get closer to Him.

Our Word of the Week

Numbers 6:24-26 - The Lord bless you and keep you; the Lord make his face shine upon you and be gracious to you; the Lord turn his face toward you and give you peace.

The Benediction Prayer is timeless because of its simple but powerful message: by praying to God, we receive His grace and blessings as well as experience peace.

Mark 11:24 - Therefore I tell you, whatever you ask for in prayer, believe that you have received it, and it will be yours.

How To Strengthen Your Prayers

1. Make prayer a habit - like any habit, the more you do it, the more you'll do it. That's how it becomes a habit. Set a time, set alarms to remind you. When it truly becomes a habit you won't need reminders anymore.
2. Remove distractions - turn off your gadgets and find a quiet place to pray, it doesn't matter where you pray as long as you have the time and space for it
3. A specific praying posture like kneeling or sitting with your hands clasped helps focus your prayers, and saying the words out loud keeps your mind from wandering.
4. If you don't know what to say, look to the Bible for inspiration - Google "how to pray for - - -"

Please fill me with the assurance that You are in control. Lord, please seal my heart and home with the unmistakable power of Your presence. When I am full of despair, cover me in Your love. When there is no reason to be at peace, be my Peace. Lord, please bring me into Your peace so I can know You as my Prince of Peace. In Jesus's name I pray. Amen!
