Let Us Pray -

Lord, please put Your peace in my heart. I'm worried, anxious and my mind races. I can't help thinking about my problems. And the more I think about them, the more depressed I become. Calm me, Lord.

Slow me down, put Your peace in my heart. No matter what problem I have, Lord, you are bigger, You are more powerful than it is.

So I bring my problems to You. I know what I want. I know my will, but I don't know Yours.

I don't know how You will use my problems for my salvation, or what good You will work out from this situation. But I trust You. I trust Your goodness and Your wisdom. So I place myself in Your hands. Please fill my heart with Your peace. In Jesus name, Amen
