Let Us Pray -

Dear God, we come before you and thank you for your presence in our life. You promise to never leave us or forsake us. Even on days that are long and leave us feeling weary and empty, we know that you have not left us. On the days when our circumstances have consumed us, you hold us. You are with us and will not let us go.

Even the darkness is not dark to you – you are the creator and the light of your presence shines through our darkest days.

May those of us who are tired and overwhelmed find you to be a close comfort. Show them that you are walking beside them, carrying them through today. Keep our heads lifted to see the all ways that You are present. Thank you for being Emmanuel, the God who walks with us. In Jesus name, Amen!
