Galatians 6:9-10

And let us not grow weary of doing good, for in due season we will reap, if we do not give up. So then, as we have opportunity, let us do good to everyone, and especially to those who are of the household of faith.

Wise Words

- "Never forget that God isn't bound by time the way we are." - Billy Graham

Our Words of the Week

- **Galatians 6:9-10 - 9** So let us not become tired of doing good; for if we do not give up, the time will come when we will reap the harvest. **10** So then, as often as we have the chance, we should do good to everyone, and especially to those who belong to our family in the faith.

- **Lamentations 3:25-26 - 25** The LORD is good to those whose hope is in him, to the one who seeks him; **26** it is good to wait quietly for the salvation of the LORD.

- **Proverbs 3:5-6 - 5** - Trust in the LORD with all your heart, and do not lean on your own understanding. **6** In all your ways acknowledge Him, and He will make your paths straight.

- **Habakkuk 2:3** - But these things I plan won't happen right away. Slowly, steadily, surely, the time approaches when the vision will be fulfilled. If it seems slow,[a] do not despair, for these things will surely come to pass. Just be patient! They will not be overdue a single day!

AI's Affirmations

- It doesn't matter how things look right now, something wonderful is making its way to me.
- I am called and equipped to pursue the righteous desires God puts in my heart.
- I wake up with purpose, direction, and meaning every day of my life.

Let Us Pray -

Thank You, Lord, for this reminder to find hope in You. Help me to quiet any thoughts that challenge Your Word. I will stay in front of Your face and pursue Your presence in every way. Let every part of me rest in the peace and calm of Your company. Help me settle my words, thoughts, and actions on the hope I have in You. Help me to have confidence in Your power and to know that it is worth waiting on You to move. Help me to be patient in this and to trust You, in Jesus' name, Amen
