

## ***Congratulations!***

*Welcome to Turnkey School of Real Estate! With your application and acceptance into the school, you have placed yourself in a historically unique position. Enrollment to our school will prepare students for mastery in their perspective licensure course.*

*The mission at Turnkey is to create an opportunity for you to secure your financial futures by applying skills in the business of Real Estate Technology. We are pleased to welcome you!*

*Classes are taught by certified, licensed real estate instructors. With over ten years of experience in the real estate industry, Turnkey's team of experts have mastered the techniques and discipline to educate for passing the exam on the first attempt.*

*We want to congratulate you for your willingness to learn and thank you for choosing us for the facilitation of your learning. We offer the highest standards and take great pride with providing you with a quality environment where you will be making an investment in your own career as licensed professionals in the real estate industry.*

*Each student will work individually with the opportunity for group discussions. Finally, you will receive a diploma, suitable for framing, acknowledging the training hours that you have given to increasing your skill level. You will be guided through the application process for state licensure at the completion of your course, and equipped to pass the state exam!*

*Congratulations! We look forward to working with you in this masterful endeavor while "Connecting You To The Possibilities"*
