

CDA DIS-DANCE LEARNING CAMP **THURSDAYS 9:30-2:30**

Supervision for online learning combined with Enrichment Breaks for students to get off their screens and socialize in a safe manner!

You bring the device, we'll provide the Wi-Fi, quiet space, and supervision for online learning. Plenty of space for maintaining social-distancing, masks required, and other safety measures in place. Several breaks with directed activities will be scheduled throughout the day, with online school schedules kept in mind. At least one each day will be movement based – learning a hip hop combo, stretching and conditioning, Zumba, etc. Others may consist of crafts, read alouds, mindfulness instruction, science demonstrations, and whatever else sparks the interest of our individual set of students! We are excited to provide some support for parents and kids during this stressful time. Please contact us with your questions – we look forward to hearing from you!

Grades 3-8

Session 1: 9/3-10/8

Those enrolled in session 1 will have priority enrollment for further sessions

\$250 per 6 week session

\$50 per day for drop-ins (drop-ins only available if camp is not full)

Enrichment Breaks provided throughout the day!

Space is limited. Email or call for more information! We are also considering requests for a second day or for earlier hours.
