Church Membership

At the close of each Sunday service, during the time of invitation, we provide an opportunity for those who would like to join the church to come to the front and speak with the Pastor. This is the first step in becoming a member of our church. Our church accepts candidates for membership in the following ways:

By Profession of Faith

By profession of your faith (asking Christ to be the Lord of your life) and as a candidate for baptism according to New Testament teachings.

By Transfer of Membership

By promise of a church letter of recommendation from another Southern Baptist Church.

By Statement of Prior Conversion

By providing a statement of a prior conversion experience and New Testament baptism in a church of like faith and order.

Membership Classes

The class that is required to complete our membership process is offered on a regular schedule. Please speak with a pastor or call the church office to be included in the next class.

Worship through Giving

Our collection box is located in the foyer. Thank you, for giving to the Lord.

By contributing to a designated fund, donors acknowledge that the church has the authority to apply contributions to another designated project with a related purpose if the original designated project is canceled or the need has been met.

A note from the Pastor . . .

If this is your first visit to one of our worship services, we want to thank you for being our guest. Please complete one of the communication cards (located in the chair pocket in front of you) and place it in the collection box located in the foyer or give it to our pastor or staff member. We are interested in meeting you and learning how we can be of help to you with any ministry needs you may have. Please visit our welcome center. We have a gift for you. *Pastor Wes Phillips*
