

We measure our success not only by income but more importantly by IMPACT.

This year has been another incredibly impactful year and the numbers of individuals we have supported has surpassed even our expectations as we exceed target numbers on all of our projects.

A photograph of a garden scene. In the foreground, there are several potted plants on a dark surface. On the left is a large blue barrel. Next to it is a black pot with a tall green plant. To the right is a red pot with a green plant, and further right is a grey pot with a green plant. In the background, there is a green lawn, a wire fence, and a line of trees under a blue sky with some clouds.
