

# VAN DYKE ENERGY

CONNECTING VERIFIED BUYERS & CERTIFIED SUPPLIERS

## Built on Trust

Built on trust and driven by results, Van Dyke Energy is a U.S. based oil and refined fuel brokerage empowering global transactions through strategic sourcing, genuine relationships, and deep industry compliance expertise. With a professionally vetted network of oil and gas mandates, refineries, and institutional grade buyers, we bring transparency and velocity to the trade.

## Our Mission

Our mission is to accelerate global energy trade by connecting verified buyers and sellers through trusted relationships, strategic sourcing, and disciplined due diligence. We exist to bring transparency, speed, and integrity to every transaction—empowering our clients to close fuel deals with confidence, clarity, and compliance.
