Sewer Repairs	1.0	\$8,000.00	\$8,000.00

We will make (2) access holes to tunnel under the slab (20) feet to access multiple leaks on the sewer system under the back bathroom.

We will support all new sewer lines every 4' as per current plumbing code.

We will perform a hydro static test after the repairs are complete for the city inspection and also to test our repairs.

We will permit all work performed and warranty all work performed for 10 years.

We ask for full payment once the inspection has been passed by the city.

Services subtotal: \$8,000.00

Subtotal \$8,000.00

Tax (Texas Sales Tax 8.25%) \$0.00
