

The Main Gate(s) to the Armory (as photographed in 1862)

Pedestrian Gate (left) and Wagon Gate (Right).

(Main gates and fence built c. early-1850s.)

The Engine House is the first structure on the left.

(Engine House built in 1848.)

The Office Building is to the left of the trees near the center.

The Warehouse is the first structure on the right.

(Warehouse built in 1843.)
