WHO WE ARE

Brews & Blessings is a passionate cat rescue organization dedicated to creating a sustainable way to support fellow rescues. As a rescue ourselves, we understand firsthand the struggles and triumphs of saving cats in need. With over 20 years of business and online experience, we're using our expertise to launch innovative fundraising initiatives that are making a real difference and we're just getting started.

At Brews & Blessings, we believe in the power of community and collaboration. Our mission is to raise funds for cat rescues through unique, sustainable, and scalable efforts. We've built a fundraising program that directly benefits 2 rescues with every purchase. OURS & YOURS!

WHAT WE DO

Receive financial support without managing the fundraising logistics themselves. Be featured and promoted through our online & local channels, driving awareness to your cause.

Create a continuous source of revenue by joining our rescue partners.

HERE'S WHY YOU SHOULD PARTNER WITH US:

Turnkey Fundraising: We handle everything from product creation and sales to promotion and fulfillment. You can focus on what you do best—saving cats—while we generate the funds.

No Cost to Join: Our fundraising program comes with no upfront costs for rescues.

Revenue Sharing: You'll receive a percentage of sales (20%) made by supporters who choose your rescue during checkout, offering a continuous stream of donations.

Dedicated Support: Our team provides marketing materials and guidance, helping you share your fundraising efforts with your supporters.

A Growing Network: As we continue to grow, so does the potential for your rescue. We're constantly expanding our reach to bring more supporters and more funds to our rescue partners.

JOIN US & MAKE A DIFFERENCE

We're just beginning our journey, and we have a big mission ahead. We know we can achieve more when we work together. By partnering with Brews & Blessings, your rescue will gain a sustainable, ongoing source of funding without the heavy lifting. Let's join forces to help more cats and make a lasting impact.
