1. Permission to Use Music

The Artist/Rights Holder grants Aunovra a **non-exclusive, worldwide license** to use the submitted recording(s) for Aunovra's radio, media, promotional, and programming activities, subject to this Agreement. The Artist retains ownership of the music. **Aunovra does not acquire ownership of the Artist's copyrights.**

2. Uses Authorized

Subject to the rights the Artist/Rights Holder actually owns or controls, the Artist authorizes Aunovra to: stream and publicly perform the submitted recording on Aunovra's internet radio service and Aunovra.com; include it in Aunovra programs, shows, playlists, countdowns, and artist features; use approved artist names, song titles, artwork, photographs, biography, and promotional materials to identify and promote the Artist and Aunovra programming; and create reasonable promotional excerpts from the submitted recording where Aunovra has the necessary rights.

YouTube, Kick, TikTok, Instagram, and other third-party platforms are not automatically included for full-song use. Uses requiring additional synchronization, audiovisual, mechanical, or platform-specific rights must be separately authorized or otherwise properly licensed.

3. Artist's Rights and Representations

The signer represents that they are at least 18 years old and have legal authority to enter this Agreement; they own or control the rights being granted, or have obtained all permissions necessary to grant those rights; and the submitted material will not knowingly infringe another person's copyright, trademark, publicity, privacy, or other rights. The Artist will disclose any label, publisher, co-writer, producer, featured artist, sample owner, beat licensor, or other party whose rights could restrict Aunovra's authorized use.

Submitting a song does not eliminate the rights of publishers, co-writers, labels, producers, sample owners, or other copyright owners.

4. Samples, Beats, and Third-Party Material

If the recording contains samples, leased beats, third-party instrumentals, featured performers, or other third-party material, the Artist represents that the Artist has obtained the permissions necessary for the uses granted under this Agreement. Aunovra may request documentation demonstrating those rights.

5. No Guaranteed Airplay

Submission does **not** guarantee airplay, playlist placement, rotation frequency, chart position, audience size, streams, followers, sales, or career results. Aunovra retains editorial discretion over whether, when, and how often a submitted recording is programmed. Any payment for promotional or submission-related services does not constitute payment in exchange for undisclosed guaranteed airplay.

6. Compensation and Royalties

Unless Aunovra and the Artist enter a separate written agreement, Aunovra does not promise direct compensation merely for submitting music. Nothing in this Agreement waives royalties or payments that cannot legally be waived or that are payable through applicable collecting societies, performing-rights organizations, statutory licensing systems, or other rights holders.

7. Term and Removal

This license begins when the Agreement is accepted and continues until terminated by either party. The Artist may request that Aunovra stop future use of the submitted recording by sending written notice. Aunovra will make commercially reasonable efforts to remove the recording from future programming after receiving a valid request. Removal does not necessarily require deletion of previously published material where continued retention is legally permitted or separately authorized.

8. Non-Exclusive Agreement

This Agreement is non-exclusive. The Artist remains free to distribute, license, sell, stream, promote, or otherwise exploit the Artist's music elsewhere.

9. No Partnership

This Agreement does not create an employment relationship, partnership, joint venture, record deal, management agreement, or agency relationship between Aunovra and the Artist.

10. Governing Law

This Agreement will be governed by the laws of the state identified by Aunovra in the final executed version, without regard to conflict-of-law principles.

11. Entire Agreement

This document represents the agreement between Aunovra and the Artist concerning the rights described above unless the parties enter into another written agreement. Any material modification should be made in writing and accepted by both parties.
