- 2022: Elected again, for the 2nd consecutive time, among the 50 best cachaças in Brazil. 1st place among the Silvers of Goiás and 9th place in Brazil, in the tightest competition of recent times..

SENSORY PROFILE

- Dried Fruits
- Smoky

- Vanilla
- Tabacco

An aroma of dried fruits with a light smokiness. A flavor that reminisces whiskey, with notes of vanilla and honeycomb. In the aftertaste, a persistent tobacco. Pairs especially well with red meats.

Category	Extra Premium
Woods	3 Woods
Volume	700 ml
Alcohol by Volume	42% vol.

SENSORY PROFILE

- Almond
- Chocolate

- Vanilla
- Woody

Aromas of toasted almonds, dark chocolate, and vanilla. Woody and sweet-spice flavors on the palate, with a long finish reminiscent of whisky.

Category	New American oak
Distillation	Copper still
Volume	700 ml
Alcohol by Volume	42% vol.

SENSORY PROFILE

- Aniseed
- Vegetal
- Liqueur-like

Star anise in the aroma and a subtle flavor of green olive with low acidity and high liquorice qualities recorded in the description.

Category	Platinum
Volume	700 ml
Alcohol by Volume	40% vol.

SENSORY PROFILE

- Coconut
- Honey

Princesa do Vale – Special Blend was named the best artisanal cachaça in Brazil in 2022 by the Brazilian Confederation of Agriculture and Livestock (CNA) and the Brazilian Micro and Small Business Support Service (SEBRAE). This cachaça is distilled in copper stills and aged separately in barrels made from three premium woods: American oak, balsam, and amburana. Once the ideal level of maturation is reached, we create a perfect, balanced blend. It is a cachaça that delivers an explosion of flavors and aromas, featuring intense notes of coconut and honey.

Category	Extra Premium
Woods	3 Woods
Volume	700 ml
Alcohol by Volume	40% vol.

SENSORY PROFILE

- Nutmeg
- Honey
- Vanilla
- Cinnamon

This is the most popular cachaça in our portfolio. After distillation, it is aged in “amburana” wood casks. A traditional Brazilian wood used for aging cachaça. The spirit offers medium acidity on the palate, with aromas of vanilla and honey alongside spicy nuances; notes of cinnamon and nutmeg predominate on the palate.

Woods	Umburana
Volume	700 ml
Alcohol by Volume	40% vol.

SENSORY PROFILE

- Flower Essences

This cachaça is stored in stainless steel tanks. This process ensures that the cachaça retains its original sensory characteristics. It offers the nose and palate a remarkable sweetness, with earthy fruitiness and an herbaceous aroma reminiscent of the floral notes of freshly extracted sugarcane juice. This is the official cachaça for the Caipirinha, the traditional Brazilian drink.
