

BLUFF SPRINGS

TEA MENU

THE WINNER'S TEA

Black tea + Brown sugar + Slice of orange + Dash of cardamum
Sweet, strong, and not to be trusted after sunset.

SWEET TEA SCANDAL

Classic sweet tea + Fresh peach slices + Mint sprigs
The drink that started it all. Perfect for book club gossip, porch confessions, or friendly game-night interrogations.

BLESS HER HEART

Green tea + Lemon + Strawberry slices + Honey drizzle

Pretty, pink, and capable of starting an argument about whose recipe is better.

THE CHAI ALIBI

Chai tea + Cream + Dash of pecan-flavored syrup or vanilla. Comforting, creamy, and suspiciously addictive.

GUILTEA PARTY

Earl Grey + Lavender + Lemon wedge + Splash of milk
Elegant, aromatic, and far too civilized for what's being discussed on the side.
