# Galentine's Party Ideas

## Galentine's Glam Swap

No need to worry about clothing sizes when you swap accessories instead. What Galentine doesn't have a closet full of scarves, belts, purses, shoes, hats, and jewelry to recycle?

## Hearts & High Tea

If there's one thing the cozy is known for it's our penchant for a proper cuppa. Turn Galentine's Day into High Tea with all the yummy treats and trimmings. Close with a gratitude circle each sharing what you love or appreciate about your Galentines.

## 'Cozy' Game Night

Wear your cozy PJs to this game party. Any game goes, but how fun to play Clue with a new cast of cozy characters: Baker, Librarian, Nosy Neighbor, Chef, Gardener, Innkeeper. Friends who sleuth together stay together.

## Sweet Visions Craft Party

This is the time of year to create a vision board. A Galentine's Day Dessert Bar and Vision Board party is the perfect cozy set up. Have guests bring dessert, supplies, and magazines. Start crafting! Share one vision goal so your Galentines can cheer you on along all year.

## Sweet Nothings Bake & Take

Invite your Galentine's over for a sweet nothing decorating party. Bake cookies or cupcakes ahead of time and provide the toppings and such. Invite guests to also decorate their Galentine's Treat Boxes to take their fancy sweets home.
