- Established Technical Ability
- Active Listener
- Overall Flexible Associate

Language

English

Spanish

Experience

2019

Music Drives Us | 111 Morse St, Norwood, MA

First Recipient

This grant was established in honor of the legendary rock 'n' roll drummer Sib Hashian. Each year, one full drum kit is awarded to a devoted, passionate, and aspiring young drummer in the New England area. Music Drives Us congratulates me on being the first recipient of the annual Sib Hashian Drive for Drums. I also got VIP backstage passes to their first annual screening event with personalities such as Lauren Hashian and the band Boston!

2019

Levitate Music Festival | 140 Main St, Marshfield, MA

Youngest Drummer to Perform

In 2019, I became the youngest drummer to perform at Levitate with my alternative rock band Not Today. With a crowd of over 9,000 people, it became my biggest income for venue revenue and population. Plus, I got to perform alongside with popular figures like Tedeschi Trucks, Sublime, and Ziggy Marley.

2018

SEMSBA and Districts | Massachusetts

Chair One for Drumming in the Southeastern District

In 2018, I became the number one chair for Jazz Band in the SEMSBA festival and the number one chair for Classical Snare in the Districts festival, beating out hundreds of competitors. Longterm mentor and New England award-winning percussionist Ed Sorrentino wrote, "Cam is honest and sincere, and has great respect for and from his colleagues. I have repeatedly witnessed his dedication to the arts, as well as his willingness to offer a helping hand or comforting words to peers in an effort to support them with their musical, professional, or even personal needs".
